Cedarhurst Center for The Arts

Welcome to Cedarhurst

Located on a 50-acre site in southern Illinois, Cedarhurst celebrates the human experience with year-round exhibits, concerts, and theatrical productions. The artful space features 60,000 sq. ft. of gallery space and 100,000 sq. ft. of production facilities. Designed by renowned architect Helmut Jahn, the interior of the building includes a four-story tower and a large open atrium, infusing natural light into the galleries and spaces.
